3/7/2013- We received an FEC letter dtd 2/6/13 stating to Provide Clarification info. as to why the additional Disbursements weren't disclosed on the Original Report. Due to the sickness of an employee, we were unable to provide any of the expense information related to the First Quarter 2012 Report, until after the April 15, 2012 Filing due date. In order to avoid filing the April Quarterly Report late, we had to file an incomplete Report. Once the employee was able to return to work and we were able to obtain the information, we amended our filing to include the missing expenditures. We have subsequently cross-trained our Staff to insure this type of error is not repeated. We regret this circumstance and appreciate your understanding. -DR
